“ *I met Kayla when she came to Spoon River College to sign up for GED classes. She was a smart and beautiful young woman who worked so hard to get her GED. After she passed her GED test, I helped her to register for college classes so she could become a nurse. She was so excited and nervous about college. She would have made a wonderful nurse, she was such a loving and giving person. Prayers and deepest sympathies to the family.*

“ *Kayla was such a beautiful young woman. I got the joy of being able to cheere with her on the BCJH cheer squad and grow close to her. She was always making me laugh and smile whenever she hungout with me. One day sticks in my mind that I will forever cherish. I kept up with her Facebook posts, and was so happy to see all of the accomplishments she was making for her little girl. Rest easy, beautiful. Prayers and love sent to the family that they find God's love and feel her walking with them step by step through life now.*
