“ Kerry was a classmate, cousin and friend. I had moved away but he would always find me to say hello when I made it back to town. Healthy happy guy a real sweetheart of a soul. He took grief from Mr Silva in Band when it was aimed at me!! He had the last name while I looked too much like my aunt. As he got older he looked more like his dad to the point of calling him Bob a couple of events. Wish I could do more Judy. He has been in my prayers since i found out from classmates.
