“ *So very sad to hear of Kevin's passing. He was a kind & gentle soul. Although I only knew him from frequently visiting the bakery, he was always friendly and cheerful & as I also loved baking, we would talk about recipes and techniques pertaining to all things baked. Manito has not only lost a most talented and artistic baker, but an irreplaceable friend to all. My sincerest condolences and prayers go to his family.*

“ Although we live many miles away, we can never erase the memories of our family gatherings. Especially on Elston Avenue..I remember alot of laughter, card games, bowling in the basement and jello molds with nuts. I can't believe he is gone, but he has moved on to a better place....to laugh and watch Cub's games in heaven with gram and Aunt Dee. But it is still hard for us who remain here, because this is not our home. Kevin is home. And someday we will all be home with him. My heartfelt prayers and thoughts are with you all. Love, Marla
