“ *I'm really saddened by the loss of Kim Kelly. She always had a smile. It was nice working with her. I always remember when she would eat her cereal for brake every morning and she would have her big mug to eat in. And no matter if there were some stressful days at work she would still put on a smile. May God bless Kim's family and keep them strong through these tough times. May Kim Kelly be with the lord now.*

“ i was so surprised and deeply saddened to hear of Kim's passing . She is a great person and friend,always easy to talk to and joke around with. We had some wonderful talks while walking at the dog park as well as hanging out several times. She has quite a few friends here and she will be missed. We lost touch when she moved and I am very sad. Some of us didn't find out until late yesterday and couldn't get off work to come to the luncheon- memorial. Kirby I am so sorry for you and your family - my thoughts and prayers are with you. Please call me 17083473982.

“ My thought and prayers are with all of you. I am deeply saddened to hear the news of my friend, Kim. I just heard from her a few weeks ago. She was telling me how proud she was of Vince. She couldn't wait to see him when he was back in the states. She and Kirby were both doing well with her Mom & Dad. She told me she loved me and thanked me for our friendship. I will miss her smile, laughter, hugs and listening to her talk about her family. She will forever be in my heart. I wish for peace for all of those who had the pleasure of knowing Kim

Kim always had a smile on her face and was happy to be at work with her friends and colleagues. She will be sorely missed. We hope that this time of sadness passes quickly for your family and that in time her memory will bring a smile to your face instead of tears to your eyes. Rest in peace sweet Kim.
