“ *I'll never forget Kimberly. We met at the Kingdom Hall in Havana when I was 12 and she was 10. She was friendly and cheerful and we became pals. She would come over to my place and we would listen to my brother's records and sing along. I wanted us to sing the harmonies and background and she got a kick out of that. She always had a huge smile when we "got it." She was sweet and very honest, even as a little girl. Heartfelt condolences to all her family and friends.*
