“ I will always cherish my friendship with Larry. I learned so much from him. Although I never went to school with him as my teacher, he taught me so much about life. I am glad I got to know you his family. He did well raising you. I know he heard this from Jesus, “Well done my good and faithful servant enter into the joys of heaven.”

“ Me. Lippert was is the reason I wanted to come to class in high school. He was an exceptional human being with the biggest smile. Great jokes could, loved to tell stories, which we all loved, just a wonderful person . I think I took every class that he taught loved riding the bus when he was driving. I don't think I ever saw him upset, he is going to be missed by many , thoughts and prayers to his family.

“ Lynda, Mike I'm sorry you have to go through this. He was my 5th and 6th grade teacher and high school history teacher, he let me take government independently my senior year so I could leave school early, (as long as i kept a passing grade) and go to beauty school which allowed me to graduate early. I thank him for that, and hope he knew. I remember helping him get into a Indian Chief costume that he made by hand, it was beautiful. Again sorry for your loss.
