“ *I am so sorry to hear of the passing of Lawrence or as I knew him as Jones. Also of the passing of his wife Peggy in 1922 as we were friends and classmates. I have been out of communication with them for a long time. I have thought of both of them often but time just keeps me from trying to reach them when I was in Havana for the past few years. Bob and Jones were good friends. My condolences to his family and I regret not trying to reach out to them. My prayers 🙏❤️😭 are with his families.*
