“ *Did not know her but was a lifelong friend of her son. Don. At least since our Army days in 1961. I learned of this and looked it up. I was surprised to learn of Don's passing. In fact he looked quite well when I last ran into him in Istanbul in early February, 2019. We are both in the mining business and bump i to each other in odd places.around the world. i must tell him of his demise. In the meantime i wish sincere condollnces to the fa ily*
