“ *John, Jason, Jeremy. I met you when your dad died and was so worried about Linda that I didn't even give you my sympathy. Now you've lost both your mom and dad and I am so sad for you. Linda - my best friend as far back as my memory goes. So funny, so fun, always laughing. We lost touch as adults and reconnected a few years ago after the death of a mutual friend. I'm so glad I got to know her again.*
