“ Linda sent me a message a while back telling me her cancer was back. I sure hated to hear that. She was a beautiful young girl and a beautiful lady. I loved her sense of humor. She would send me at least a laugh a day, I loved that. I'm going to miss her messages.

“ My deepest condolences to all her family and friends. I am of no actual relation to Linda but I have very fond memories of her. She assisted my parents with some of their businesses. As a child I would end up at her house on a few occasions making cookies, candies, and treats. Rest in peace in Linda.
