“ *She was the coolest of coolest aunts, I always loved seeing her car roll up in our driveway. So many fond memories I can't just pick one. The world has lost one heck of a gal, she was outgoing, tough, super cool, and one heck of a cook. I know Grandpa, Grandma, and Aunt Lou were waiting for her and they are camping by the river side waiting for the rest of us...you will be forever missed Aunt Linda, until we see u again!!*
