“ Linda and I became friends through our daughters , 30 years ago , Katie was like another daughter . We had some good times together taking the girls to concerts , shopping trips , movies . Linda was a kind person , she put up a good fight for many years and was dealt more than any one person should have to. She got through it with her faith. I am so fortunate to have had her as a friend and will miss her so much. Rich and Katie you are in my thoughts and can` t express enough how sorry I am for your loss. Heaven has gained another ANGEL.

I worked with Linda at Dr. Petersons office around 30 years ago. She was patient and kind. I remember seeing Katie as a newborn. Sorry for your loss. Linda will be missed.
