“ My deepest sympathy to the family. I found out a few minutes ago Linda had passed. We sure did have a lot of fun as neighbors and friends. Patty, Linda, and I had great time singing together and of course Linda could really make a piano sound great no matter what she played. Lots of memories with the Taylor family when we were young. “ Linda was President of the Resident Council and contributed so very much to life at Walker Nursing Home. Linda played the piano daily for years entertaining all, She knew any hymn that was requested. She was kind to all and lifted our spirits. We will miss you. RIP God bless you and keep you. “ *My sincere condolences to her family. Love them! Sunday dinners at the Taylor's were a norm and I loved every second of it. Linda made that piano at Mount Olive and home bounce. She taught me to play heart and soul, but most importantly, she taught me to laugh and enjoy music in the fast lane, and I love her for that. Songs that were slow and draggy were bouncy and full of life. She thought that's the way songs should be played and I totally agree. She made a difference in a lot of peoples' lives. Thank you.*
