“ I have known Lois as long as I can remember. She and my mom, Rosie, worked together for the Secretary of State and shared an apartment in Springfield. Mom was there when Lois and Vince met. They hired in at CAT together in 1971. Lois was a genuinely kind and loving person. My heartfelt condolences to her family.

“ I have known Lois my whole life. She was a God-fearing woman who always looked to the Lord in every situation and praised Him. I'm certain there is quite a reunion in heaven at this time. Lois has no more pain or sorrow and I'm very happy for that but I will miss her. Prayers and comfort for her family.
