“ *Hugs to all the family. So sorry, that I got caught at O'hare Airport and missed the funeral. I so wish that I could have been there in person. I have such wonderful memories of Aunt Lois. She was always part of the family smiling and laughing and being supportive in every activity especially family dinners! I remember her delicious homemade chocolate chip cookies. I remember her gardening and her love of crosswords puzzles. She would always laugh at the antics of a cat at play! I particularly remember her steadfast faith in the Lord Jesus and her faithful work in the church. She was a blessing to all who knew her! So difficult to believe she is gone but we are blessed to know the assurance that we will meet again in heaven*

“ I was saddened to read that Lois had passed away. I got to know both she and Floyd when I was employed at the Bethlehem Lutheran Church. They were so helpful to me and always willing to help me do whatever was needed in the office. After I left the job I would see them at the grocery store and we would take a few minutes to visit and catch up on our families. A few years ago I was delivering meals on wheels and they were on the list so it was nice to see them once again. My prayers are with all of her family.
