“ *Lois always had a smile for everyone she met. She was a wonderful gift to all the children and staff who encountered her at Forman and Midwest Central Schools. All children felt so valued as she always remembered their names and treated them with such kindness. She was so proud of her children, grandchildren, and great-grandchild. Lois will be missed by many. May her family be comforted at this time and in the days ahead.*

“ I will never forget how happy she was every time we crossed paths. I'll never forget taking the time to sit with her during during warm ups of every home game. She deeply loved her friends, family, and basketball boys and girls. We love you so much Lois. And you will always be missed. Say hi to Kak for me.

“ As a first year teacher at Forman Grade School, Lois welcomed me with open arms and was always so willing to help me or to lend an ear. She was so kind and loving to everyone. What was even more special, Wyatt was in my class that year, so I knew her not only as the secretary but as a parent of one of my students. She was the best! My condolences to her family...
