“ *I befriended Miss Retta when I moved into the first apartment across the street back in 1999. I didn't have much to move in with at the time. One day this lady, Miss Retta, knocked at my door with a big box of goodies. She said, "Honey, my name is Loretta-but you can call me Retta. I live just across the street, and I was wondering if you would like these things for your apartment?" There were pictures, bowls, some pots n pans, towels, a rug or two, and some other stuff tucked in that box. We became instant friends, not because of the material things she gave, but because she had this gentle, kind, loving, genuine demeanor about herself. Retta was a true friend, and will always be loved by me. Dalton, you were truly a lucky man. If you need anything at all, I live just across the way...love to you

“ Our sincerest sympathies to Dalton, as well as all of Loretta's family, in the passing of this fine lady. Loretta was a beautiful person, always ready to visit & chat. I know she will be greatly missed, but I feel sure God has welcomed her home & has erased her earthly suffering. She will be a gracious & gentle & lovely angel waiting to welcome her loved ones home in their turn.

“ So sorry for your loss. Loretta was a very kind and giving person! She was family to us. We have a lot of wonderful memories with her, like good times at the A&W stand, we used to help aunt Fern at the motel, my mom (Laquita Haynes) used to iron jill & Karen dresses. To many to mention, Loretta will be dearly missed by many! Rest easy my friend until we meet again. ???
