“ *What great memories all the Keltner kids (adults now) have of Aunt Lorraine who always seemed like a true Aunt to us. Fun times on the farm. City slickers meet the Farm kids! Great memories of great food, homemade ice cream, bonfires and the list goes on and on. Recently connected with her at my nephew's wedding in Montana and we had a good time. She will surely be missed by lots of us. Condolences to Joan, Jim and Judy.*

“ What a Sweet and rambunctious lady Lorraine was! She accidentally called me about a month ago, and we visited for quite a while. She told me then she wasn't doing to good and was waiting for a ride to stay with family. I will sure miss our visits.

“ When I was in high school, I would visit the Renken household with my friend Judy. Lorraine was a second mom to me and I remember calling her mom. She liked to sit and talk. She was around 4-H and a regular part of my teen aged years. Later I would see her on occasion and she would always ask about me and my family. I last saw her when I took my dad into the MCANH for some physical therapy more than 3 years ago now. She was the same "mom" after all the years. I will light a candle in memory of Lorraine.
