“ *Hello Jim and Lynn, I remember your mother as a good friend of my mother, Edna Himmel. It seems like my mom dropped Lucille's name into the conversation every time I talked with her on the phone or in person. I really appreciate Lucille's wonderful friendship. I'm printing her obituary and placing in a scrapbook that I keep of my mother's friends as they all pass away. It makes for great memories for me that I will pass on to my kids. Your mother obviously touched many lives and will be missed.*

“ *Growing up in the neighborhood, Lucille was always a kind and caring person. I remember her taking me with her, Jim and Lynn to an relative of theirs down at Panther Creek near Chandlerville. It was such a fun day, riding in the back of the station wagon, eating a pic nic lunch in the woods and wading in a crystal clear stream. All while she was sharing memories and knowledge of the nature around us. I called her a few years ago when the memory came up again to thank her, she was so humble and said it was nothing, but it was to me and I will never for get her kindness to me. Praying for the family.*
