“ *If pleasant perseverance were a person, its name would be Lyle. He was one of my favorite clients for one simple reason: it was never an insurmountable obstacle, only a new challenge. His indelible optimism will forever shine in our memories. Rest in Peace, Mr. Huber*

*Sympathy to the Huber family on Lyles passing into eternal life. He was such a light @St. Patrick's to all who had the privilege of knowing him. My husband Duane had the privilege of being his Cursillo sponsor & spending the weekend with him in Peoria. Lyle used to tell me when I brought him communion that it was one of the best moments of his life. DeColores Lyle!

“ Heartfelt sympathy to the Huber family. We have fond memories of Lyle on our visits to Havana. He amazed us with his physical upper body strength and what he was able to physically accomplish. We loved his gentle smile and caring heart. He has been welcomed into Heaven standing tall and straight but will be missed on earth by so many.

“ My earliest memory of Lyle was while his mother was babysitting me as a small child of maybe 4 or 5. I don’t remember much from that time but I do remember Lyle teaching me how to eat french fries without using my hands. For a young child that was awesome. God bless Lyle.
