“ Oh sweet lady I had Jeff on my mind today and found you have passed on and joined your John. You will be surely missed by those whom loved you. I can still envision your playing and singing and just spreading joy. It was an honor to be your daughter in law for the brief time I was allowed. Prayers for your sons, daughters and grandchildren.

“ *Lynette is one of my Mom’s closest friends. There are several great stories to share of Joyce and Lynette’s adventures. (Some are so funny that we will be telling them for years to come). Lynette is one of a kind, she had a great outlook on life and navigated this life with laughter and love. You could count on her to make you belly laugh out loud at the most inappropriate times. We can all feel confident that she is up in heaven holding court and entertaining the masses. Sending love and prayers from the Stoddard Family*
