*It's so hard to think that aunt Mable has left this world. She had the greatest heart. I called her 2 or 3 weeks ago and and I loved hearing her voice. As she was talking to me, she would call me Baby. That was so comforting for me. My mom would travel to glassford, nearly yearly. So Aunt Mabel was a lot of fun. I was sitting outside on a swing, with a boy, and she snuck out to check on us. She was a lot of fun. This world is now a sadder place with her absence. R.I.P. Aunt Mabel. You will be missed.*
