“ *To the family of Marcella Pike:*

*Deeply saddened to hear of Marcie's passing. Sadder yet not to be there at the visitation and funeral to pay my respects. Unfortunately I will be out of town with family on Friday. I spent a good portion of my life at the National Bank of Petersburg (worked there for 30 years prior to retirement). In 1978 I began working at the bank and Marcie was the head teller, trust administrator, and in charge of the safe deposit boxes. She took me under her wing and helped me acclimate to my new job and community. I will always be thankful for her assistance. I spent a week in St. Louis with her on a bank sponsored training course. She was sad to leave Bruce for an extended period of time but excited to see family in the area. She and I spent a considerable amount of time together when I became the bank's trust officer. She was a dedicated employee and hard worker. After she retired, I still kept in touch as she would stop in periodically to visit . After I retired, I was no longer in the loop and miss keeping in touch with current and past NBP employees. Just wish to offer my condolences and let you know she was extremely proud of he family. She talked about her grandchildren often. I wish I had a chance to see her one more time. Sorry for your loss.*
