“ *She was a customer at Mason City Iga. I enjoys seeing her and visiting with her, when she came into shop! She gave me a HUGE tomato from her garden one year! I loved her dearly!*

“ *What a great picture and beautiful obituary. Lots of good memories and we always looked forward to her bringing cinnamon rolls. I know she will be missed but I'm certain she is enjoying her reunion with Uncle Leroy and her sisters. Praying for you and your family.
Love,
Bev and Jim*
