“ I am so sorry to hear of Peggy's passing. She was such a good person. I will always remember playing on her big front porch, at their house in Petersburg, and swinging out over their front yard in that unforgettable swing. Then the 4-H meetings at her house and all the Kool Ade and Hawaiian Punch we drank. Heaven has a new angel. Prayers for you John and for your family. You have my deepest sympathy. “ I was so sorry to hear of Peggy's passing. We had a good conversation about a month ago. I so much appreciated her giving Gizmo a good home when I no longer could do it. She was truly a good, caring person.

For several reasons, I was thunderstruck to learn that Peggy had died. I did not know she had been ill. And even though sadly numerous classmates are no longer with us, somehow I envisioned Peggy always being around. She was such a solid presence. She was the "glue" when the 50th high school reunion was being planned and executed--doing lots of work behind the scenes. Thinking about you John.

I have happy memories of her being at my house in 1957 and our loudly playing Buddy Holly's hit record "Peggy Sue," with both of us gyrating around-- changing the lyrics to "Pretty, pretty, pretty, pretty Peggy Ann." The last time we communicated was about our September birthdays and she thoughtfully mentioned my father.

R.I.P. Dear Peggy. I will miss you and sharing genealogy with you. I am so grateful we were able to get together several times and share our families through the years.
