“ *My sympathy to family and friends. I worked with Marilee at Franklin Life and American General. She was a sweet person and I loved talking to her and hearing about son, daughter-in-law and grandsons. She was so proud of them. She was great help in work problems and we often talked about her working a second job which i did for years. May she rest in freedom from pain and suffering. May your memories of her keep her in your thoughts. Prayers and God bless you all.*
