“ The last time Mary and I visited was a few years ago when she approached me at the grocery store in Havana. I did not recognize her because she had a street rag on her head. She explained she loved riding her motorcycle. I could tell by her expressions and that wonderful smile. I got a thrill when I was putting my groceries in my car and watched (heard) her buzz out onto the highway.....Enjoy life when you can! I'm glad I got to know her as a nurse at MCANH.. She will be missed.
