“ *Your Mom loved coming to Kentucky with her family. She and our Mother ( Perline (Robert) Smith) were first cousins and stayed in touch their entire lives. We were sorry to her of Mary Jane's passing, she was such a delightful person! When that got together it was like they were kids again, enjoyed all their laughter!!! “ My memories of this grand lady are all positive and happy. Mary Jane was a hard worker who loved her children and Donald above anything. This is one person who I never have heard a harsh word against, which is so rare these days. Beverly and I were especially close friends from 7th grade through high school graduation. Mary Jane left everyone smiling, she was such a joy to be around. May God grant her family peace while knowing she is resting in His arms, happier than ever and still laughing. We send hugs and love to all the Nehmelman family. John and Sandy (Douglas) Bybee
