“ *I consider myself very lucky to have married a man with such a wonderful family. The love and loyalty I've witnessed, especially between David's grandmother and aunts and uncles, is both touching and inspirational. I think it's a testament to who Grandma Jane was as a mother and friend, and I'm grateful and proud to be connected with her family.*

*With love,
Julia Rutledge*

“ I have such wonderful memories Jane and of our Orcutt family's connection with your Rutledge family, that no single one stands out above all the others. It was such a joy to play cards, eat meals, go to the pond and fish or swim, stay as a school student with my friend Jeanne overnight and have Jane as my temporary mother.

My mom would want to verify all this if she were still with us. I like to think of what it could be like in their eternal life to have time together again and pray that this wonderful connection will indeed be eternal.

Praying for all five of my growing-up friends (now definitely adults), and your children, grandchildren, etc. Bless you all for being so wonderful to your mother.

“ *I'm pleased that I was able to know your mother. It was easy to recognize that she was intelligent, talented and caring. I remember and appreciate your parents helping with beds and mattresses and putting linens on all the beds when the MCANH was just beginning. Keep the memories, you will miss her.
