“ *Mary Kay has been part of my life since I was 13 years old and I stood up with her and Uncle Jerry at their wedding. I didn't exactly like the idea of another girl coming into his life, but your Mom immediately stole a piece of my heart and I have loved her ever since. There are so many memories to share, and one night when I am visiting we will all sit around Kevin's pool with a drink and do just that. We will reminisce about this very special lady. My thoughts and love are with you all. 💔*
