“ *The last years have not allowed us to get together but have good memories of Mary & Bill through the years as we shared grandchildren. I always felt like I knew Mary for years and enjoyed the Mason City visits with them as relatives when Donna & Kevin got married.*

At any age a parent or grandparent is a great loss and I extend my sympathy to Donna, Mary Ann & Bill, and their families. I know you have a lot of good memories to hold in your hearts and she will be there, I assure you. Be good to each other and stay well.

God bless all of you!

“ *So sorry to hear this... another of our old guard at the Christian Church when I was growing up. I remember her always having that smile and laugh.*

Lord, hold this family in the palm of your hand as they grieve their earthly loss

“ My mother dearly loved my Aunt Mary. As a sister-in-law, she would talk about a conversation they had or memory they shared. I remember traveling to Mason City when I was a child and visiting Lincoln's burial site. The irony is that, now at 60 years old, I live near Lincoln's birthplace. I was a freshman in college in Alabama when my Uncle Bill passed away and my parents were not home to attend the funeral when I tried to reach them. I honestly cannot recall the last time I saw her as I was in the Navy and she lived in Florida for many years. It may have been my grandmother Junie May's funeral many years ago. To my cousins, cherish the memory of your mother as I do mine who passed away over 4 years ago. She was a special lady.

“ Aunt Mary was a sweet woman and will be missed. I enjoyed talking to her at least once a month, I will miss that. We may not be able to be there in person but will be there with you in thoughts and prayers. This is Linda, Christine Byrd's daughter. To my 3 cousins, your mom will always be with us in our hearts.
