“ *Pat and Carol, I have enjoyed the time we have had getting to know one another. From the first day we began talking on the phone, I knew I wanted to help all of you. I laugh at the day I arrived to meet Mike. He gave me a run for my money, but always made me smile. I will miss him and both of you. I hope we can keep in touch. Pat if you ever need anything please give me a call! I am praying for you. Much love, Michelle Quagliano*

“ To Carol, her Mother Pat, and Family,

Please except my sincere condolences. Very sad to hear the news indeed.

I sure do remember Mike when we were growing up. He was one of the neighborhood heroes to the younger kids, always helping out when we needed it. Good times going over to your house to play. Even when we were in Jr. High and High School, Mike was quietly in the background keeping some of us out of harms way. Had some really good times being invited to hang around with him and some of his friends on occasion. Will forever remember Mike and those precious fun filled times of our youth.

God speed old friend.

“ I first met Mike and the family in the 60's when we moved to the neighborhood. We had a common interest, music.....and the Flemings loved music. We spent many hours listening to the juke box Warren had in the family room. I'd bring my guitar over, Mike would get his guitar out and we would just jam.... I can't count how concerts and bands we had seen together. Those were good times. Oh Yeah, ...can't forget "Wheels" the Fleming family dog. Fond memories indeed. Heart felt condolences to Pat, Carol and the rest of the family.

“ Mike was my 5th grade boyfriend. One winter he took my ear muffs & threw them on top of a trailer that sat in front of the old Krogers where people would drop off clothes to be dry cleaned. I believe my Mom called the school (haha) & he was told he had to get them down for me!! Always liked Mike. So sorry for your loss.
