

## Michael J. Londrigan

August 11, 1967 - March 1, 2020

Michael J. Londrigan Jr., 52, of Petersburg, died Sunday evening, March 1, 2020 at his residence. Michael was born on August 11, 1967 in Springfield, the son of Michael and Caroline Londrigan.

He was preceded in death by his father Michael Londrigan Sr. He is survived by his Mother Caroline Londrigan and his brother Sean Londrigan (wife Danielle) both from Petersburg, and his brother Damon Londrigan from South Korea.

He was a 1985 graduate of Griffin High School. He worked various jobs in Sangamon and Menard county to include Vono's Medical Supplies, Schneider Construction, and in the food service industry as a food preparer.

Michael enjoyed anything and everything to do with forest and land management. He was a Master Naturalist and spent his free time helping Friends of the Sangamon Valley beautify and maintain our natural resources around central Illinois. When out of the woods he loved creating hand-crafted items for his nieces and nephews and repairing his bike from the latest crash. He had more miles on his bicycle than Lance Armstrong and was affectionately known as "Bicycle Mike" around Petersburg.

Cremation rites have been accorded. Michael's family will receive friends from 10:00 a.m. until 11:00 a.m. on Thursday, March 5, 2020 at Hurley Funeral Home Petersburg, IL. A brief funeral service will follow at 11:00 a.m. with Pastor Rob Gallion officiating. Memorials may be made to Friends of the Sangamon Valley.

Online condolences may be left for the family at [www.hurleyfh.com](http://www.hurleyfh.com)
