“ To the family of Mr. Wayland, I extend my deepest sympathy. I was a former student of his when he taught Driver's Education Classes at Green Valley High School many years ago. I can remember his smile and his sense of humor but I must admit, he was a thorough and very skilled teacher and I learned a lot from him. I'm sure he will be greatly missed. I pray he knew Jesus in his heart and that he is now enjoying the splendors of Heaven. May God give you all HIS Peace and HIS Comfort as you journey through your grief. “ Travis and Troy, we had been unable to reach your dad and are so sorry we didn't get to see him before he passed. We've had years of good memories and shared interests in wildlife, Indian artifacts and more. He was very proud of you and the grandchildren. We hold you in our prayers and will certainly miss your dad.

“ *Rest in peace, Mr. Wayland. I will always be indebted to you (and countless others) that allowed me to get my diploma from good old San Jose HS. Sorry for your lost, Travis and Troy (and your families). I saw Mike about a month ago, so I know how happy and proud he was to be a Father and Grandpa. Much love, my Friends.*
