“ So sad to hear of Mick's passing. I'm so glad I got to visit with her a couple of years ago while in Green Valley. Mick was an outgoing, small town girl with a big heart. RIP Mick, thanks for the memories. Vicky (Beal) Ostrom

“ *Mick was an absolute angel.....even in her moments of illness she remained worried about those she loved, more worried about their sadness than her own health at times. She touched my heart in ways I never thought imaginable in such a short time. My deepest condolences to your family, and my greatest gratitude for allowing me to be a small part of your family for a couple of weeks. If you need anything at all Jody and Cindy, I am still here for you <3

Words cannot express Katie how blessed we were to have you as Micks nurse & friend. You were the rock she held onto. She talked often about your goggles. Love you to the moon & back Katie.

“ I met Mick when we were getting our infusions together at INI for MS. She made me laugh so hard! An infusion was scheduled for my birthday and she suggested we have a party. We decided to watch "Magic Mike" and bring penis-inspired snacks. We had so much fun! I will miss Mick and the way she turned un-fun things into great memories!!

“ I remember our first visit to Illinois after we moved to Arkansas, I had already had my Southern drawl down and she kept making me talk just so she could hear the way I said things. She really enjoyed teasing me and of course I was young, so I didn't have a problem with it. From then on she would have me repeat things,so she could laugh. Love all of you and you're in my thoughts and Prayers.
