“ To Michelle's family;
I'm so sorry to read of Michelle's passing and extend my condolences. I look forward to a time mentioned in the bible when Almighty God promises to eliminate death and sickness, as recorded in the bible at Isaiah chap 25 verse 8, and Isaiah 33 verse 24. These promises and many more will be accomplished when Gods kingdom rules this earth as it does heaven with Jesus as King. So even though you'll grieve for Michelle for some time to come, remember the promises of the God who can't lie. I'll pray for your family.

“ I was so sorry to hear of Michelle's passing. She and I worked together for years at the Clinic with Dr. Graham. She was always friendly, had a smile on her face, and seemed to really enjoy life. She would always talk to me about her daughters and how much she cared for them. She will be greatly missed.

I never got to meet Michele in person, but with the family she has, she had to be a great person. May God's love, peace and comfort be with each of you during this difficult time.

“ Michelle and I have been friends since grade school. She was always the quieter of us but she definitely held her own! I remember sleep overs in her beautiful pink bedroom and being totally spoiled by her doting parents! Life takes us in many different directions but we always have fond memories with sweet friends like Michelle! For us she is gone far too soon but for God she has perfectly planned timing! I know that He was anxiously waiting with open arms for His beloved child to return to Him! Your work is done my friend, enjoy blissfull eternity and try not to laugh too hard as the rest of us stumble through the pitfalls of the rest of our lives! You were loved and will certainly be missed! Until we meet again.....
