

Molly M. Hall Buehner

August 3, 1959 - March 31, 2023

Our good golly, sweet Molly Hall, 63, of both Springfield and Petersburg, passed away Friday, March 31, 2023. She was born on August 3, 1959 to James Winford and Juanita Medows Hall. She married John Buehner on April 7, 1990 in Springfield, IL.

Molly was a pillar of her family, a devoted wife, mother, daughter, sister, and aunt. Adventurous, fun-loving, ambitious, and boisterous, she was dedicated to her family, passionate about her work, and committed to serving her community.

Molly is preceded in death by her mother and father, and she leaves behind her husband, John Buehner, their daughter, Allison Buehner, and her three sisters, Beth Kiningham, Rebecca Rowe, and Priscilla Reynolds and their families.

Molly was a loved member of the Petersburg community, moving with her mama and sisters to the town from Arkansas when she was in third grade, and later graduating from PORTA high school in 1977. She participated in her church's choir and bell choir, madrigal performances, and was a foreign exchange mother to two PORTA students, Vivi and Natalia.

She graduated Eastern Illinois University on a debate scholarship. Molly spent

14 years in radio and television news starting at WTAX, then working as a reporter and anchor at WCIA, where she met her husband John. Then, she became the Statehouse Capitol Bureau Chief for WCIA and WMBD. Shortly after becoming a mother, she worked at Illinois Power before shifting to nonprofit work, and retired in the spring of 2020 after 18 years as the Executive Director of the Energy Education Council, a national nonprofit she built from a small University of Illinois initiative, that served electric utilities and their customers.

She was an award-winning communicator, including national recognitions such as Clarion Awards and the Telly Award. Molly is also a graduate of the Institute of Organizational Management (IOM) and a Certified Association Executive (CAE).

Molly held leadership roles in her volunteer board work as well, serving as president of the Illinois News Broadcasters Association, Illinois Society of Association Executives, Unity Church of Champaign, IL and Springfield, IL, Central IL Public Relations Society of America, Association of Women in Communication National and Springfield, IL, and historic New Salem Lincoln League.

The visitation will be held at Hurley Funeral Home in Petersburg, IL from 4-7pm on Wednesday, April 5th. “ Sorry to just now learn of Molly's passing. Great past friends of both Molly and John. From college days with John at TV 10 at Illinois State University to working on video projects for Molly in the early days of Safe Electricity. My thoughts and prayers to all family and friends ... “ Thoughts and prayers to Molly's husband and children, extended family and friends. I remember Molly being a progressive political force in high school, e.g., by organizing a debate between advocates for Carter and Ford. I was shocked and flattered that she asked this shy farm boy to participate. But I did and gained a lot from this experience. She was also a staunch supporter of women's rights. I have always considered her a friend and wished we'd stayed in better touch. In any event, she will be missed and remembered by many.

“ My heartfelt condolences to Molly's family and all those who love her. I had the pleasure of working with Molly at Illinois Power, and later during her time with Safe Electricity. I was always impressed with her talent, insight and professionalism. Even more important, Molly was consistently kind and calm, even in the stressful world of PR. Molly was a bright light and a very sweet spirit, and I will miss her.

Rhonda Davis - April 03, 2023 at 09:57 AM

Molly was beautiful inside and out. She was an excellent leader as president of the board of the Illinois News Broadcasters Association, an organization to which she remained loyal. She and John were generous donors to the INBA Foundation which supports scholarships for aspiring journalists. She made cash donations and often bid on scholarship auction items, often just to support the cause. She supported so many journalists young and old by offering good advice or mentorship. She was the ultimate servant leader. I will miss her dearly and know many of her broadcasting friends feel the same.
