“ I considered Nancy a friend. We met at a grade school basketball game between Havana and Lewistown and exchanged letters for a while. Who would ever thought I would end up living on a farm near Havana and getting to renew our friendship! Then we found out we are shirt-tail relation! Nancy was a wonderful person. We send you our condolences and prayers. Marvin and Sue Roat

“ I lived going to the Petersburg Opry with Nancy and Aunt Sally. I remember several trips coming back from the Opry, singing to the many times we loved. Nancy would always get us started on the ole gospel music. We would sing all the way home, many times we would stop by the Dairy Queen in Petersburg on our way home where we all would enjoy a frosty treat of one kind or another. She will be remembered with fondness and love

“ *Randy and Rhonda,*

*I am so sorry to hear about your Mom. I have very fond memories of her being my eighth grade room mother. It was my first year in Havana schools. She always remembered my name. Her and Sally made sure I had a way to the eighth grade dance and Ted got me home. They did not think I should miss it. Also, I took care of her Mom*

*Louise Avery for a year or so. I have good memories of being with Louise. She taught me cooking tips I still use.*
