“ *Nancy's love extended far beyond her immediate family. Her heart was so big and gave so freely. I can't remember ever not being welcomed like family no matter how long between letters, calls or visits. Her unyielding kindness and generosity shared with me has left me a better person for knowing Nancy and the entire family, as well as being the shining example of how I want to be. My prayers are with all of you as you navigate these incredibly difficult times. ...*
