“ I'm so sad to read this! I have fond memories of growing up with the Stout kids, later memories of taking my students on field trips with Mr. Stout as our bus driver, and having the grandchildren as students. Hugs to you all as you go through this sad and difficult time!

“ Some of my fondest childhood memories are around trips with the Stout family. We would load up the car with a case of root beer, tow the boat and head to the Lake of the Ozarks. It sure was fun growing up together, even when Nancy and Judy dressed us alike (really? what was that about?). May you hang on to your fondest memories of Nancy. Thinking of you at your time of loss.
