“ *I just found out today Wednesday 10-11-17, I would have been there for the service. I am so sorry to hear this. You have always been a big part of my life when I was younger and I lost your information when your parents received their wings. I thought of you all the time. Remember all the great times we had when my Aunt and Uncle plus you would come down to see us. Loved dancing with you. Please say hello to the whole family.*

*Love,
