“ *Bro, I don't even know where to begin. First thing, we had an amazing run as kids. Not sure who's mom got madder at times. But boy, was it fun! A millions memories forever etched in time. There will now be a void that no other could ever fill. You will forever be Missed! Tell your mom and Anthony Hello and we are all thinking of them. Love you Brother!*

“ Oh Nate. Most of my memories of you come from my childhood. You were like and uncle to me. Infact when the moms would go out you'd stay home with us kids, cook and carry on with us kids. But our last memory might be my favorite □ you had your electric bike riding around bath and I wanted to go for a ride the handlebars were the only place we almost made it the full block. Until we meet again. Give my granny and pa a hug.
