“ Dear Aunt Judy and my very special cousins and their families,

I send my love and virtual hugs to you all, wishing I could have been with you during this time. I so appreciate the Live Feed from St. John's so I could "be with you" in a small way. I have read several tributes to Uncle Norman that were shared on Facebook, and I nodded my head, smiled, and shed some tears as my heart has been filled with great memories and special love of Uncle Norm and of our families. So many of my childhood memories involve us all being together . . . playing, laughing, singing, dancing, attending St. John's together, telling stories, enjoying Norm's fun practical jokes, playing cards, eating great home-cooked meals, celebrating holidays . . . what a flood of rich and cherished memories. Uncle Norm was both fun-loving and loving. He will always hold a special place in my heart. I was so blessed to be able to attend his 80th birthday party 6 years ago, and most recently blessed to spend an evening with him last December at a family gathering. Even at age 85, he could still bellow out those Hank Williams tunes! Everyone there loved it!

*Mark and I have you in our hearts and prayers during this time of loss and grief. May our Father of mercies and God of all comfort give you peace, hope, and a thankful heart for the life (and the eternal life) of Norman Eugene Tisdale, Sr.
With much love, fond memories, and prayers,
Gloria*

“ *So sorry to hear about Norman. We will be thinking about you and your family.
I will always remember him and Leroy coming down to farm and us playing out in the yard chasing chickens to hear them squawk.
