“ My condolences to all of Pam's family. It's been quite a while since I've seen Pam but she's not someone you forget! I was introduced to Pam when I drove a school bus. She was a sweet sweet girl who loved her family. She worked very hard and the kids loved her being their monitor. I feel privileged to have known Pam and she will be missed.

Sincerely
Mary Pat Bares

“ Pam,
I never thought the day would come where you would no longer walk this earth. I have so many memories with you and each one I will forever cherish. I remember spending weeks with you just enjoying your company. You were at the hospital the day my two older boys were born. You even went up to the NICU when Gibson was hospitalized as a new born. You were at my first wedding. You were my best friend and I love you so much. I miss you and will see you again someday.

“ Pam was such a kind and caring mother wife and friend as a child Pam helped me in so many ways her door was always open for me. She taught me so many things. I had not seen her in years but not a day goes by I didn't think about her and the things she did for me. RIP Pam.
