“ So sorry to hear of Aunt Pat's passing. She will be remembered for her art and music and her love of her family. She loved to have her family close, and have get togethers where they all participated in various games. I have pictures of several of the gatherings, and laugh when I see the silly things they would do together. I was asked many a time by people if I was her daughter. They would comment that I looked so much like her and some of her kids, that they just thought I was another member of the family. I think my red hair is what did it. I would tell them that we were related, that I was a niece.
