“ *Pat was such an awesome person! She had to be, to put up with all the shenanigans we were up to as teenagers! I don't know how she did it! Her beef burgundy was something we would all drool over(I want that recipe, by the way, if at all possible). Her treats were second to none! I woke up this morning thinking about her, and Jill had messaged me on FB about her passing. Pat was always full of life, full of laughter, compassionate, fun, beautiful, talented, nurturing, and just all around AMAZING! Bridgett and Billy, and all you grandkids too, I am deeply sorry for your loss! Please know that Pat will be watching over you, ALWAYS! Feel free to get ahold of me. You can find me on FB, (<https://www.facebook.com/laura.waltymyers>),and I will share my contact information with you. I think about you guys all the time, but have been unsuccessful in finding any info to contact you. I hope you are all well, and still taking care of each other. Rob sends his love too!*

7 I have fought the good fight, I have finished the race, I have kept the faith. 8 Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day—and not only to me, but also to all who have longed for his appearing.

Pat is my friend. I didn't see her often but when I did we laughed about something or the other every time! I will miss her. My mom adored her. She knew good people when she saw them.
