“ *Pat, I will deeply MISS YOU!!!! Our time together was short but your spirit will always be in my heart. My memories of Pat was the stories about Gary, her kids, and grandkids, We would laugh so hard we would have tears in our eyes. We shared a unique friendship that will always be cherished. You have a wonderful family, that shines.*

I loved how her eyes would dance liked the stars when she was excited. She was always kind, giving of herself, Now she has her wings, and will be perfect.

“ *My favorite memory is Pat helping me to see my daughters first Christmas outfit in Dec 1991. We have had many other good times. She loved me like I was one of her kids and gave me a lot of motherly advice. I loved her like a mother and will miss her dearly.*
