“ *Pat and I were classmates at Greenview High School. She was always so engaging, cheerful, and laughing or chuckling a lot of the time, which showed off her cute dimples. She was a good dancer and knew the steps to all of the new dances. I remember the time she taught me "the Mashed Potatoes." I haven't seen her in many years and I'll miss the times we might have shared.*

*Many Blessings and Peace to Pat's family,

“ *Pat was a wonderful woman. I worked with her at the Department of Rehabilitation, but not in the same office. She helped me very much. I learned a lot of my job because she helped me. I retired as an Account Tech II and I believe it was because what I learned from her. It seems like when I visited my sister, Sharon Davis, I would want to visit Pat but she was never home. I will miss her.*
