“ *You have our deepest condolences for the loss of such a wonderful person. Damon and I would love to take Deagan trick or treating to their home on Halloween. Ralph and Patty would get such a kick out of Deagan's costumes he would wear over the years. They always treated me like family. Patty was such a beautiful soul! Just know that Ralph and Patty are back together again. She will be missed dearly. We love you Deanna. We are thinking about you and your family during these difficult times.*

“ I am deeply sorry for your loss. I have fond memories of both Patty and Ralph. I am so very thankful to have grown up in the Era that I did and for growing up here in Havana. It was individuals like them, who took the extra time when you were shopping for that special something, that made each shopping experience fun and delightful. I loved going into their jewelry store, Uncle Eldon's and Aunt Dawnie's (Hackman's), Karl's Variety and Walker's Jewelry when we came to town on weekends. I wish today's generation had just a tiny glimpse of life as it was then. How much more their lives would be enriched by the experience. God Bless you all.

“ Dear Mike(Linda) and family. I was so sad to hear of Patty's passing. When I delivered mail on Franklin St, your Mom or Dad would meet me every day to get their mail. They always had a smile and kind word. It is customers like that who make it a pleasure to do the job.
