“ *I loved knowing Paul these past 13 years. He definitely loved to joke around and was able to tell you his mind with a smile on his face. And those home made antennas for his radio! He knew what he was doing! We will miss him and I'm so sorry for your loss.*

*I want you all to know the Davis family has a very special place in my heart. I think of you when I go by your house on Vermont. We went to St John's and to Madison together. Our daughter Kate and Paul were classmates. He always had a great big smile. I loved that kid. Charlotte you and my niece Jacki Kenney were also classmates. I had the pleasure of playing in a bridge club with your mother. She was a very special lady and I certainly enjoyed knowing her. Please know that all of you are in my thoughts and prayers. Blessings. smiles, love and prayers.
